

DELPHI Crest

✨ DELPHIAN SURVIVAL KIT 🌀 Combo Card Bundle

A semiotic slide deck for resonance, ritual, and reconnection.

These images are not instructions.

They are invitations.

Use them for anchoring. Use them for dreaming.

Use them when the words fall short.

Each card is a signal, a gesture, a gentle nudge through the static.

They might speak in silence, dream in pattern, or simply glow by your side.

This kit does not require belief.

It only asks for your attention.
